AIM TRIPLE BLOW AT DARDANELLES

Allies Land Troops at Three Points to Cut Off Turkish Fortifications.

PORT OF ENOS IS CAPTURED

Fleet Resumes Bombardment in the Straits in Co-Operation With Movements on Land-Aviators Drop Bombs on Smyrna.

London, England, April 26 .- The Daily Mail's Athens correspondent

"The new Dardanelles attack by the allies has begun with the landing of troops at three points—at Enos, at the Suvia promontory on the west of the Gallipoli peninsula and on the Bu-

Aim to Take Turkish Forts. "The object of these troops is to capture the Turkish forts on the Gallipoli peninsula and to prevent the send. ing of Turkish re-enforcements across the Bulair isthmus. The troops have captured Enos and the passage from that port into the interior is not expected to offer difficulties.

"Meanwhile, the fleet renewed its vigorous bombardment of the straits and of various points on the west coast of Gallipoli."

Drop Bombs on Smyrna. Paris, April 26.-Allies' aeroplanes are showing great activity over Smyrna, says a special dispatch from Saloniki. A French aviator recently dropped two bombs on Fort Kastro, killing several soldiers; another sank a German ship lying in port and a third struck the railroad station.

ASSEMBLES NEW ARM Observations made by aviators, according to the dispatch, indicate that the Turkish forces assigned for the defense of Smyrna number 35,000. They occupy trenches extending from Vourlah to Smyrna and are posted on heights commanding the city.

Forts Two Brothers and Rastrati have been repaired. A new fortification built above the farm of St. George has been armed with thirty heavy guns, supposed to have been brought tantinople.

Crew of the Aysha Reaches Lidd After Battles With Arabs-Suffer Heavy Losses.

Berlin, April 26.-The crew of the German war schooner Aysha, composed of men who escaped when the of every important post in central cruiser Emden was sunk by an Australian warship in the Indian ocean November 10, have escaped again from patrol ships and arrived at the Arabian harbor of Lidd March 27. They covered by sea the 300 miles from Hodeida to Lidd.

After reaching the coast the sailors attempted to continue their journey overland, but were attacked by Arabs, supposedly at the instigation of the English. After three days' stubborn fighting the attacks were repulsed and they reached the road to Hodachas, where the railway was open. The adventurous Germans suffered heavy
